the meaning of this book is that the walls must come down between pentecostals and evangelicals if canonical luke has a charismatic theology as stronstad proves we cannot consider pentecostalism to be a kind of aberration born of experiential excesses but a 20th century revival of new testament theology and religion it has not only restored joy and power to the church but a clearer reading of the bible as well

in expository bible the gospel of st luke henry burton presents a meticulous exegesis of one of the new testament's most compelling texts characterized by its scholarly rigor and pastoral sensitivity this work deftly navigates the rich theological landscape of luke's narrative exploring its historical context literary structure and profound insights into the life and teachings of jesus christ burton employs a clear accessible style that appeals to both academic audiences and lay readers making complex ideas understandable without sacrificing depth the book situates luke's gospel within the framework of early christian literature revealing its unique contributions to the understanding of jesus mission and ministry henry burton was an esteemed theologian and clergyman whose academic journey was deeply influenced by his commitment to biblical literacy and effective preaching trained in the historical critical method he sought to bridge the gap between scholarly interpretation and practical application believing that the gospel should resonate with everyday concerns this conviction is evident in his approach to the text as he encourages readers to engage with luke's gospel not only as a historical document but as a living narrative for contemporary faith this book is an invaluable resource for anyone seeking to deepen their understanding of the gospel of st luke it is particularly recommended for scholars clergy and laypersons engaged in theological study or seeking inspiration for practical ministry burton's insights challenge readers to reflect on their own faith journeys making this work a timeless companion for those wishing to explore the richness of scriptural engagement

the scraps of information about st luke scattered in the new testament forms the basis for the fictive life of the author of the third gospel and the book acts of the apostles although fervid in his belief the new way that was later on called christianity in the year a d 40 luke's whole life was mainly sustained by his calling as a beloved physician to the very end of his life luke remained an active practitioner of medicine his training in this art where case histories had to be recorded for each patient probably gave him that polished edge to write with great style what little is known about luke comes from his association with st paul who was also responsible for baptizing the doctor by joining paul's missionary journeys luke was able to travel through the cities of asia minor and the northern and southern regions of greece the climax of his travels with paul was a trip to jerusalem accompanied by other greek disciples here in this sacred city luke received from the apostles the commission to write the early history of the new way of course he also undertook writing the third gospel

is salvation only for the jews that is the question luke a greek is determined to answer as a physician and beloved townsman he is drawn into the growing movement of first century christians his first encounter with saul of tarsus is unpleasant luke considers him disagreeable and xenophobic after completing his medical education at the alexandrian school of medicine luke's second encounter with saul now calling himself paul changes his life forever as paul's physician luke goes with him as he takes the gospel to the cities of the greek world he also finds the answer to his original question encouraged now by

jesus mother he writes down jesus story and takes it with him as he journeys around the mediterranean he soon discovers that the power of the pen may be even stronger than the sword

reprint of the original first published in 1881
